

Walking by the “C”!

And I will walk among you and will be your God, and you shall be my people. Leviticus 26:12

Let's first talk about walking together . . .

*“Walking together” implies a relationship. Walking with husband, with Pam (a sister) – as paralleled to walking in an airport, walking in a mall.

*Is it possible to walk with God in today's world?
can't see Him or touch Him

*Does the Bible give any accounts of people “walking with God”?
Enoch, Micah, Noah, Adam & Eve

*Do any of you have a good friend that lives far off – but, still have a bond or relationship?

Think about this statement -

Walking with God **MUST** be the quest of every believer who calls on the name of the Lord for salvation. Walking with God is a daily occurrence. Many assume they walk with God when they go to church, but **IF** going to church is a substitute for a daily walk with God, then you are in trouble, But, if going to a Bible-teaching, Christ-honoring church is a **SUPPLEMENT** to one's walk with Christ, then church will be all that it should be for you.

We may not realize it, but walking with God is so much better than walking without him and here is why.

1. He Is Our Comfort

⁴Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me. –Psalm 23: 4

Walking with Him will give you the comfort of knowing that He is always there for you. HE is our Safe Place – He is our Comfort Zone!

2. He Is Our Help

¹I will lift up mine eyes unto the hills, from whence cometh my help. ² My help *cometh* from the LORD, which made heaven and earth. Psalm 121:1-2

When this world has beaten you up and knocked you down (it will repeatedly) – when you feel like you cannot go on any longer, cry out to Him. He will always be there to pick you up, dust you off, and prop you up to move you forward. What or who of this world can harm me as long as Christ is walking by my side?

3. He Is Our Guidance

Psalms 32:8 – “I will instruct thee and teach thee in the way which thou shalt go: I will guide thee with mine eye.” When we are not walking with God, we are going to struggle even more because we are completely on our own. We have to figure things out for ourselves and it will be much more difficult than it should be. Remember the days of traveling with maps???. The wrong turns, the back-tracking, the wasted time of trying to figure it out especially with a husband who would rather die than ask someone for directions!

GOD is the ultimate GPS – never to guide you on the wrong path – never to take His eye off of you! He knows exactly where your ping is at all times!

4. He Is Our JOY & STRENGTH

Nehemiah 8:10 – For the JOY of the Lord is my Strength!”

You have NO choice about walking life’s path – everyone walks this road – the choice comes in deciding which path and “how” you are going to choose to walk it.

I choose to walk filled with JOY! It is a long, hard road and it will take strength and a lot of FULL-tanks to reach the finish line. **JOY is a tank filler!!! You cannot walk daily with Christ on an empty tank!** My strength cometh through the sheer joy of knowing and trusting in HIM. Choose this day whom you will serve! As for me – I choose JOY, for thus cometh my strength!

5. He Is Our “POSSIBLE”!

**And I will walk among you and will be your God, and you shall be my people.
Leviticus 26:12**

When we walk with God, it may not make things easy but it makes them possible.

Tell, me one thing that is NOT possible with God! I will personally testify that this walk is a relationship with the Father. If at death, I lay in a cold, dark grave and that is all there is to it . . . the walk with Christ would still be far more worth it while on this earthly journey.

Just to have the privilege to be blessed with His

COMFORT HELP GUIDANCE

JOY STRENGTH

would make the journey more enjoyable to me –
the wayward traveler.

BUT, you and I know that the grave is not the final chapter – because we serve a God who

Is Our POSSIBLE!

If you are not walking with Christ -
today is your day to change your world –
join in a relationship and
Walk by the C!
