I AM GOD'S MASTERPIECE

According to Webster's online thesaurus, synonyms of the word masterpiece are showpiece, blockbuster, success, gem, jewel, prize, treasure and **a piece of the master.**

Doesn't it take your breathe away to know the God of all creation feels that way about you?

It is very hard for me to think of myself as "God's Masterpiece"! God says, "You were created in my image, unique one-of-a-kind, and you are indeed a piece of the Master!

Walking with God is both exciting and painful at times. As God's masterpieces, we are being shaped and fashioned into the unique people that God has created us to be.

I'm sure you have found your path has not always been straight. I'm sure just like me, you have been frustrated at times when things don't work out the way you expect them to or that you are in a period of waiting for your circumstances to change.

God grows us through the storms that we go through.

We need to lean on Him and trust Him at all times.

Here are some things to remember as God perfects His handiwork in you:

- A masterpiece takes a long time to create. You will be surprised at the new perfection that you will see in the future. You will be surprised at how over time you become more and more like Jesus.
- A masterpiece is very detailed and intricate. Tiny transformations are not always easy to see, but changes are still being made. It takes patience!
- A masterpiece is one-of-a-kind. You are unique. There is no one else like you!

- Write this verse on your heart, it will encourage you. Ephesians 2:10

¹⁰ For we are God's masterpiece. He has created us anew in Christ Jesus, so we can do the good things He planned for us long ago.

- You are God's masterpiece and I am God's masterpiece. We are both growing and changing under God's workmanship. God is preparing us for greater things.

We as individuals; and we – as a church body; are going through a refining process. Almighty God knows exactly how He wants His creative work to be completed. Our responsibility is to allow the Master to create in us His finest masterpiece!
